

THE JERSEY BOYS Theatrical Revue

The Jersey Boys and Girls

in a rollicking retrospective of the music and dance from the Smash Hits of the early 60's!

Back when American Bandstand got teenagers up off their feet to dance to the groovy sounds of the new era... bands like **The Four Seasons** with their well-known "front" man - **Frankie Valli**, churned up the Rock and Roll fever of America and turned up the heat in living rooms from coast to coast. Ed Sullivan became the center stage on Sunday nights when all Americans watched as new talent emerged from the shadows into the spotlight.

No sound typifies the youthful culture of America in the early 60's as much as our own tribute to the Jersey Boys... Frankie Valli and the Four Seasons! Hear the sound that put their brand of Rock and Roll on the Billboard charts week after week. Of all the music in America, only the Four Seasons have been on the Billboard Top Hit Parade every decade to the present since the 60's. Also enjoy music of the era - The Turtles, The Angels, the hit music from "Hairspray" and a Beatles curtain closer!

Now that's something to sing and dance about!!
